

Downloading and setting up the EST 2019 App

Go to your App Store or Play Store, depending on your device, and download the “My Event Zone” app.

Once it has installed, you will be asked for your event code. Please enter “EST2019” - All caps, no spaces.

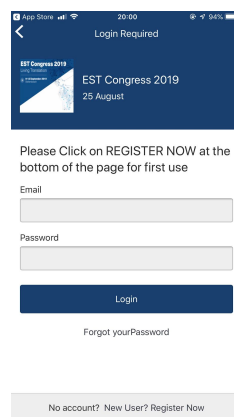

You will be greeted with a screen that requires you to register to use the app.

Please click “Register Now” at the bottom of the screen.

Once you have completed the form please click “Submit” at the bottom of the screen.

You will then be logged in and see the Privacy Terms. Please click “Next” once you have read this.

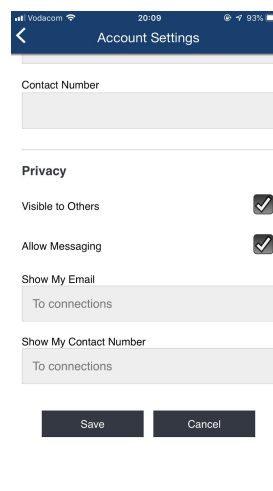

Once you have logged in please click on “My Profile” and “Edit Account” at the top of the screen.

You will need to give permission for you to be “Visible to others” and “Allow Messaging”

Once you are done here please click “Save”

You can also update your profile picture from within “My Profile”

Please enjoy this app and the resources conveniently made available for you.
